## **Alberta youth director receives NDFC life membership**

Darts Alberta is proud to extend our special congratulations to **Dianne Greening** on being awarded a life membership with the NDFC for her years of outstanding volunteerism in our sport. The award was presented at the 2007 Youth Nationals Awards Banquet held in Montreal on Sunday, May 20, 2007. When the NDFC Membership Director, Kip Morrish, announced that an NDFC Life Membership was being awarded to one of the Provincial Youth Directors in attendance, no one could have been more surprised than Dianne.

Dianne has been an integral component of Darts Alberta and our Youth Program since the mid-90's. She has been a solid and consistent member of the Executive throughout her many terms in office and has brought her wisdom and knowledge to new executives throughout these years.

Dianne has also been involved in a number of projects of national scope over these years, including being the organizer and tournament director of ten Youth Provincial Championships, the organizer and host of the 2002 Youth National Championship in Edmonton and being an integral component in the development of the NDFC National Coaching Program project. Dianne dedicated a significant number of volunteer hours to the project and continued to ensure that the youth perspective, at the community, provincial and national levels, was taken into consideration when developing the coaching program.

Even with all of the volunteer hours spent at the provincial level, Dianne still finds time to continue to be actively involved in coaching and organizing youth darts at the community level with the Morinville Youth Dart League.

Congratulations Dianne. It is a well deserve recognition for someone who has given as much time, energy and passion that you have dedicated to our sport.
