Darts Alberta appoints new Provincial Director

As a result of the recent NDFC Annual General Meeting on June 10, 2007 in Saskatoon and my subsequent election to the office of the NDFC President, there was a need to appoint a new Provincial Director for Darts Alberta. Each provincial/territorial member darts body must appoint an individual to the NDFC Board of Directors and this individual cannot be a member of the NDFC Executive.

Sandi Orr has been appointed as the new Darts Alberta Provincial Director, effective July 1, 2007. Many of the administrative duties relative to this position were already being carried out by Sandi in her capacity as the Darts Alberta Secretary and Administrator. Over the past several years, the position of the Darts Alberta Provincial Director has been held by either the President or a current member of the Darts Alberta Executive. Due to Sandi's wealth of knowledge, it was deemed most appropriate to appoint her to the position to ensure that Darts Alberta's best interests are appropriately and effectively represented at the National level.

"Although with my new position as the NDFC President, I will have added responsibilities that I plan to carry out to the very best of my ability, I will continue to give Darts Alberta 100% in both my capacity as the Darts Alberta President and Tournament Director".

Contact information for each of the Executive Members and their positions can be found on the Darts Alberta website.
