

News Release

October 3, 2006

A new event added to the Darts Alberta Member League Provincial Championship Program

Darts Alberta is pleased to announce that the game of Tactics has been included in the Darts Alberta Member League Provincial Championship program. This decision was made based on direction received from the membership at the 2006 Annual General Meeting and the second annual commitment of Darts Alberta Member League Membership from Edmonton's largest dart league – Tactics Association on Mondays in Edmonton (TAME).

The objective of this initiative is to offer a program exclusive to our Member Leagues, encouraging league members to compete in an event targeted at a relatively equitable caliber of competition. It is the goal of Darts Alberta to provide a team-event atmosphere complete with camaraderie and competitive spirit.

The team format will continue to be 1 team match, 2 doubles matches and 4 singles matches, only now the best of 3 will be a modified Chicago-style format consisting of 501 straight-in double-out, 301 double-in double-out and Open Tactics.

To heighten awareness of the Member League Provincial Championship program, a new informational brochure has been developed and will be circulated through the leagues. You'll find rules on 'How to Play Tactics' and a great Q&A section to answer most questions you might have regarding this relatively new program. Talk to your Member League Organizers to get your copy or visit the Darts Alberta website. The dates of your Member League Playoff for this program will be posted on the Darts Alberta Tournament Webpage and on your League Schedule.

With new marketing tools and commitment from the Member Leagues, Darts Alberta anticipates a record year for participation! We hope you'll show your team spirit and join us in this fun team format.
