Darts Alberta's inaugural Pro-Am **DART shoot meets with great success**

A new Pro-Am style tournament was established as part of the Grassroots Mentorship Program. On Saturday, September 15, 2007, grassroots-level nominees from throughout the province teamed up with our elite athletes for the first-ever **D**eveloping **A**chievements of **R**ookie **T**alent shoot in Red Deer, Alberta.

Although the maximum participation was not reached, those that participated had a lot of fun and the grassroots players learned valuable tips from their elite partners. Darts Alberta will be working closer with the Member Leagues in the coming year to ensure that the full complement of 32 participants (16 grassroots teamed with 16 elite athletes) is realized.

Congratulations go out to the winners of the event:
