Over 70 years of national championship experience on the 2009 Team Alberta

A total of 60 men and 38 women competed over the Family Day weekend for a place on Team Alberta. The team will be heading to Saint-Hyacinthe, Quebec to compete in the 2009 Adult National Championship. This will be the first time Quebec has hosted the adult championships since 1998.

There was a great deal of competition and enough exceptional elite athletes here that Alberta could probably field two extremely strong teams at the Nationals. A huge congratulation goes out to all the members of this year's 2009 Team Alberta:
