Darts Alberta launches a new **DART shoot with \$1,200 prize payout**

A new Pro-Am style tournament will soon replace the current Grassroots Mentorship Program. Entry into the **D**eveloping **A**chievements of **R**ookie **T**alent shoot will be by invitation only, limited to 32 participants (16 member league grassroots nominees and 16 elite adult / youth competitors) and be on a first-come first-serve basis. The new event will be launched in mid-September 2007, hosted in central Alberta and will have \$1,200 in prize money up for grabs!

As this program replaces the current elite/grassroots partnering at a doubles event of a Darts Alberta Ranked Tournament, the 3 grassroots nominees from each Member League from the 2006 season will also be eligible for entry into the 2007 shoot.

All member leagues with 25 or more members are eligible to submit 3 grassroots nominees each year to have the opportunity to compete in the **DART** shoot of the year. Beginning in 2007, all 3 grassroots nominees from each eligible Member League will now receive paid entry into a singles event of a Darts Alberta Ranked Tournament in addition to an NDFC membership upgrade for the following season.

The list of eligibility elite competitors has been expanded to include all those contained on the Member League Championship's Elite Competitors List as well as the Senior Male and Senior Female Champions and Runners-Up from the most recent Youth Provincial Championship.

Complete details are available on the Darts Alberta website and an information package is currently being developed for distribution to each eligible Member League and their grassroots nominees.
