

## What's New?

### —New Faces on the Board

- Sandi Orr (Edmonton), Provincial Director / Administrator

### —Tournament Surveys

Improving DA Ranked Tournaments is one of the key strategies identified in our 3-year Strategic Plan. To assist tournament organizers in continuously improving their tournaments, we recently began surveying participants and spectators. After each survey is closed, the Administrator compiles the results and provides the report to the tournament organizers. Later in the year, a summary will be available for all members.

We have completed surveys for the last three ranked tournaments and will continue to survey the remainder of them throughout the year. Thank you to everyone that participated in the surveys so far. Whether you're providing constructive feedback or praising the organizations for what is going well, we want to hear from you!

### —Fees Increases for the 2014-15 Season

It's never been a better time to be a member of a Darts Alberta Member League!

Darts Alberta Member League and Youth Club membership fees are still only **\$3.00 per league/club member**. These members can upgrade to an NDFC membership and the fee for adults is still only **\$20.00**.

The Individual DA/NDFC Membership Fee has increased and is now **\$40.00 per person**.

The Zone Qualifier Entry Fee is still **\$30.00** for 1, 2 or all 3 days to compete to qualify for the Adult Provincials (NDFC Upgrade or DA/NDFC Membership required).

For those qualifying for Provincials, the entry fee is still **\$80.00**.

For those that haven't qualified for provincials, individuals can still buy in but that rate has now increased to **\$300.00**. Buy-ins are only allowed if spots are still available (80 men / 64 women).

### Rookie Blue—a Rookie's Perspective of the Adult Nationals

- Article by Jennifer Ravenshorst

*This year I was fortunate to secure a coveted spot on Team Alberta. Tryouts for the team are nothing short of grueling and all of the participants should be proud of what they accomplished that weekend, regardless of if they made the team.*

*There were quite a few emotions running through my head when Lesley told me I had made the team. First came excitement. I had worked hard and it had paid off in spades. Quickly following that, though, was trepidation. As much as I've come out of my shell, I'm still a quiet and shy person that likes to keep to myself. I'd never traveled with a team before, let alone with a group of people I didn't know that well. I was fortunate to have the support of so many and that convinced me I should give it a go. Who knows when an opportunity like that would show up again?*

*To say I was worried over nothing is an understatement. Our crew is definitely the most supportive, fun loving bunch. I especially liked that the team stuck around and showed their support until the very end. I believe that support helped me do as well as I did.*

*Overall, it was a great experience. Would I do it again? Absolutely! And if I don't make the team again, I would be okay with that because I was part of the 2014 Gold winning Team Alberta!!*

*Over and out, Raven "shorts"*
